GUIDELINES FOR A WELL CHILD

Satellite Beach United Methodist Preschool requires children to stay home from school if any of the following symptoms are displayed **during the previous 24 hours**:

1. **Fever** equal to **100** degrees or greater, sore throat
2. A constant untreated **cough, a persistent** runny nose
3. Signs of a possible **communicable disease, such as skin rash, inflamed eyes, etc.**
4. **Diarrhea and/or vomiting**
5. **Lice and nits in the hair, student may not return until all nits are removed.**

The Preschool program is not equipped to take care of sick children and cannot accept responsibility to do so. Satellite Beach United Methodist Preschool policy states children sent home during the preschool day due to sickness or showing signs of illness should stay home one more day for the health and safety of the preschool community. At all times, including a doctor's release note to enter school, we reserve the right to consider the health and safety of all students and decline admitting a student to class using our judgment as to the wellness of a child.

Once a child's health is determined not well by Preschool staff, parents agree their child may be removed from class for the health and safety of others. Parents are **notified** and then **responsible** to pick up their child from school.
